

A map of the United Kingdom with the study area in the south-east highlighted in yellow. The map shows the coastlines and internal county boundaries of England, Wales, Scotland, and Northern Ireland. The highlighted area is located in the south-east of England, covering parts of Kent, Surrey, and Sussex.

After Saturday's heavy rain, sleet and snow, paved surfaces have been left cold and wet. Clearing skies will allow temperatures to fall further, leading to ice formation.

Issued by the Met Office at 19:49 on Sun, 17th Mar 2013

For the following areas

- East Midlands
 - Northamptonshire
- East of England
 - Bedford
